PRESS RELEASE

LGM Pharma Joins the Society of Chemical Manufacturers & Affiliates

BOCA RATON, Florida—LGM Pharma announced today its membership to the Society of Chemical Manufacturers and Affiliates (SOCMA), the leading international trade association representing the batch, custom and specialty chemical industry. The Washington-based group supports chemical manufacturers with commercial and networking opportunities, advocates for the passage of rational laws and regulation, and works to increase public confidence in the industry.

“LGM Pharma has always had a commitment to being a good corporate citizen and member of the batch chemical manufacturing community, so joining SOCMA was a natural fit,” said Leah Chitrik, CEO of LGM Pharma. “Our new membership in SOCMA will help us grow our business and keep up-to-date on the latest issues and best practices for the industry. This membership will benefit not only LGM Pharma, but also our customers and community.”

“We are pleased to welcome LGM Pharma as our newest member company and look forward to their active participation in the organization,” said SOCMA President and CEO Lawrence D. Sloan.

About LGM Pharma

LGM Pharma is a leading supplier of active pharmaceutical ingredients (APIs) to various global pharmaceutical firms involved in the research and development of old and new therapeutic chemical entities. In its commitment to improving health opportunities all over the world, the company has forged partnerships with some of the biggest names in the pharmaceutical industry. Currently, the company supplies over 2,500 active pharmaceutical ingredients to its global clients. For more information, visit www.lgmpharma.com.

About SOCMA

SOCMA is the only U.S. based trade association dedicated solely to the batch, custom and specialty chemical industry. Since 1921, the organization has represented a diverse membership of small, medium and large chemical companies and has a global membership of more than 200 companies. For more information on their services and products, please visit www.socma.com.
