LGM Pharma Moves Corporate Headquarters to New Location

BOCA RATON, Florida — LGM Pharma, a leading supplier of active pharmaceutical ingredients to various global pharmaceutical firms, announced its recent move into a new corporate headquarters in Boca Raton, Florida. The move is part of the firm's long-term plan for steady and careful growth, meeting both their current needs as well as accommodating future development.

The company also paid careful consideration to ways that would improve the at-work experience for their employees, allowing them to be more efficient and productive, through space planning and collaborative workspaces.

"Our new corporate headquarters will offer LGM Pharma the flexibility that we need as we expand as a company. This move represents the company we are establishing," said Mendy Schurder, COO of LGM Pharma.

The company's new address is 6400 Congress Avenue, Suite 1400, Boca Raton, Florida 33487. For more information visit www.lgmpharma.com.
